

# I'll Be There For You

Bon Jovi

*Intro:* (Octaves): **D – E – F# – A – G#**

*Verse 1:*

I guess this time you're really leaving – I heard your suitcase say goodbye  
Well as my broken heart lies bleeding – You say true love, it's suicide  
You say you've cried a thousand rivers – And now you're swimming for the shore  
You left me drowning in my tears – And you won't save me anymore  
I pray to God you'll give me one more chance, girl

*Chorus*

I'll be there for you – These five words I swear to you  
When you breathe I want to be the air for you – I'll be there for you  
I'd live and I'd die for you – Steal the sun from the sky for you  
Words can't say what a love can do – I'll be there for you

*Verse 2:*

I know you know, we've had some good times – Now they have their own hiding place  
I can't promise you tomorrow – But I can't buy back yesterday  
Baby you know my hands are dirty – But I wanted to be your valentine  
I'll be the water when you get thirsty baby – When you get drunk I'll be the wine

**Bridge:**

And I wasn't there when you were happy – I wasn't there when you were down  
I didn't mean to miss your birthday, baby – I wish I'd seen you blow those candles out

**Repeat Chorus, then Outro:**

Oh – oh – oh // Oh – oh – oh // Oh – oh- oh – oh
