

Slow Dancing in a Burning Room

John Mayer // Capo 4

Intro: **Am – F – C**

Verse 1:

Am **F** **C**
It's not a silly little moment – It's not the storm before the calm
Am **F** **C**
This is the deep and dying breath of this love that we've been working on
Am **F** **C**
Can't seem to hold you like I want to – So I can feel you in my arms
Am **F** **C**
Nobody's gonna come and save you – We pulled too many false alarms

Chorus:

G **Am** **F**
We're going down – And you can see it too
G **Am** **F**
We're going down – And you know that we're doomed
Am **F** **C**
My dear, we're slow dancing in a burning room

Verse 2: **(Am – F – C)**

I was the one you always dreamed of – You were the one I tried to draw
How dare you say it's nothing to me – Baby, you're the only light I ever saw
I'll make the most of all the sadness – You'll be a bitch because you can
You try to hit me just to hurt me so you leave me feeling dirty
Cause you can't understand

Outro:

G **F – C**
Go cry about it - why don't you? (3X)
Am **F** **C**
My dear, we're slow dancing in a burning room
Am
Don't you think we oughta know by now?
F **C**
Don't you think we shoulda learned somehow? (repeat...)
