

No Perfect Son [Capo 3:C]

Brian Wahl Copyright 2011

INTRO:

F Am G

VERSE 1:

How could you be honored
By me...

How could you be a father
To me...

CHORUS:

I'm no perfect son
Look at what I've done
This guilt could crush my soul
Maybe love could make me whole
But I will never know
Until I go home
I'm no perfect son

VERSE 2:

I have taken your blessing
And I've run - I've run
I have taken your blessing
And I have done what cannot be undone

BRIDGE:

Father forgive me
Father forgive me for what I've done
