INTRO:

C G Am Em // F C G

VERSE 1:

C G Am Em
I can be bought - Persuaded and sold
F C G
With fancy pictures and marketing you steal my soul
C G Am Em
Greed is my god - and jealousy my lord
F C G
There is always bigger, always better, always more

CHORUS

F C
Oh, society, you lie to me
Am G
You tell me things and I believe
F C
My heart it longs, and all it wants
Am G
Is something that will make me complete

VERSE 2:

C G Am Em
Look at all my things - and count all my gold
F C G
Dig a hole you can't fill and then ask for more

Sell me your dreams - Sell me your hopes
F C G
Just make sure you tell me that it's nothing at all

F G Am G
You can't buy me - I'm not for sale - I'm not for sale
F G Am G
You can't buy me - I'm not for sale - I'm not for sale
